

Brain Building Preparation

Required:

- 7 different colours of plasticine
- Spoon or fork
- Optional:
 - Print out the brain picture on the next slide to use as a template to help you make the right shapes for each brain region
 - You can use powerpoint to change the colours and size if needed
 - Roll your plasticine colours into long noodles before the session to help save time

Frontal Lobe

Parietal Lobe

Occipital Lobe

Temporal Lobe

Cerebellum
